FOURTH CIRCUIT

RECEIVED

Dear Sir,

Thank you for acknowledging receipt of mine,  
requesting your success and forwarding me a copy  
of the Court docket; relating to my case (07-4115)

I apologize for the mistake I made by  
stating I wished to file a Pro Se brief.

I would like the Court's permission to file  
a supplemental brief in addition to the  
brief Attorney Dubois / McSamara will  
file on my behalf relating to case # 04-0235  
and appeal # 07-4115. Under no circumstances  
am I asking to represent myself in this matter.

I desire to only file a supplemental brief  
due to the lack of communication between my  
attorney and I, the length of the trial and  
the excessive amount of transcripts. I feel  
since I'm unable to go over all the material  
with my attorney or speak with him often

Pg. 2 of 2

or at great length via the telephone to discuss pertinent facts/issues concerning my trial that are crucial to proving my innocence and the violations of my rights and law.

Please inform me, if I'm legally able to file a "Supplemental Brief" and if so, when is it due. I informed my Attorney verbally and in written months ago of my desire to file a Supplemental Brief. He stated I had to seek permission from the courts. Please consider this a motion to file a Supplemental Brief, in spite of its informal nature.

Respectfully,
